### **Bradford Commercial assists client Team ProMark in securing 24,506sf facility in Fort Worth, Texas.**

Since 1998 Team ProMark has been one of America's largest sports licensing companies. Known for innovative ideas and well-designed, quality products, made primarily in the USA, Team ProMark offer dozens of fan-pleasing gift items for the world's most passionate fans! "We chose to relocate Team ProMark from its current location in Longmont, Colorado to Fort Worth, Texas. We knew that local expertise and experience would be vital in our relocation efforts. We chose to engage Nick Talley with Bradford Commercial to assist Team ProMark with site selection and lease negotiations. Nick did an excellent job understanding our needs and finding us a facility that would fill those needs. We were under a time restriction to relocate and Nick was also instrumental in helping negotiate the lease and working with local city officials to help get us into our new location on time. **I would highly recommend Nick Talley and Bradford Commercial with your real estate needs.**"
